The following is an information guide for our product lines. Note that they reflect retail cost in order to demonstrate the value we offer and should **not** be used as a guide for pricing your products. At Bariatrics Unlimited, we never charge retail price.

If you need a price quote, or would like a current price list to accompany this information guide, please contact us and we'll have one on its way to you right away.

The Stretcher S675 is the solution to safer patient transfer; this chair encourages a no-lift culture in most health-care environments. This versatile chair can go from upright to infinite recline to lateral transfer positioning by using the attached hand-control pendant. Individually adjustable armrests and legrests/footrests give more comfort for the patient. The S675 has a weight capacity of 675 lbs. Standard features include central locking 6" twin wheel casters, removable HD battery pack, charger, IV pole, oxygen cylinder holder, safety belt, rear storage bin and it is upholstered in a multitude of colors to complement your decor.
